Stage Set For Start On Hotel

Ever since 1964, one firm or another has been eyeing St. Albert as a prime location for a second hotel facility. Although sites had been tentatively picked, in the downtown area and along the St. Albert Trail, negotiations failed along the way and plans were shelved into limbo.

Today, after over two years of hard work and planning, Sam Shapiro, president of St. Albert Motor Inn (1972) Ltd. is in a position to announce that St. Albert will indeed have a second hotel. The proposal has been approved in principle by Town Council, the Alberta Liquor Control Board has accepted Mr. Shapiro's plans as an additional liquor retail outlet (subject to conditions) and tenders are being prepared for publication, pending the issuance of a building permit when a development agreement with Council of St. Albert has been finalized.

"Now, all I have to worry about," Mr. Shapiro said, "is to take care of technicalities with the proper authorities, but all major obstacles have been overcome."

Mr. Shapiro said that tenders for his new hotel, to be located along St. Albert Trail and South of Ball Avenue, will probably be advertised during the third week in October. "Preliminary drawings are on the boards

now and specifications are almost completed," he said. Therefore, Mr. Shapiro still expects to start his \$1.5 million structure early in November... with completion date set for St. Albert's Kinsmen Rodeo 112 during the third week of June, 1973.

The president of St. Albert Motor Inn (1972) Ltd., said he will personally recommend to the successful general contractor that St. Albert tradesmen be given preference in the sub-trades

"I want local people to have a hand in building my hotel," he said, "and I'm going to do my best to see that local sub-contractors get their share of work."

Once the new hotel is completed, local people will be employed there he promised. He explained, however, that he had already hired an experienced manager but all other members of the staff could be local people, if they qualify.

Mayor supports T & R application at CRTC hearings

Mayor Ray Gibbon attended the CRTC public hearings in Edmonton on Friday on behalf of St. Albert Town Council, to support the application of T & R Systems for Sturgeon Valley Vision.

The mayor was impressed by the presentation of T & R Systems, represented at the hearing by five principals, including Messrs. John Barnaschone and Bob Russell of St. Albert. "It was a good presentation" said the mayor and included a well done video tape to show the type of programming that the company could do. He commented also that it was the

only proposal offering a two-way system, where people in two different locations could be interviewed in a dialogue situation, for example.

Mr. Gibbon followed this presentation and brought out that there is a lack of communication among the news media in Edmonton, which could be filled by a cable television service such as proposed by T & R Systems. Places like Fort Saskatchewan, Leduc, Spruce Grove and St. Albert have no access to instant communication at present, he noted. The mayor would "favor television coverage of Town Council and other such direct communication with citizens."

The town backed the T & R proposal at the Canadian Radio-Television Commission hearings, as the one which would locate studios and offices in St. Albert. They would also be ready to offer service within six months if accepted, he said.

The firm estimates an initial outlay of about one million dollars, and stated that they could put in a further \$500,000 if needed. If more capital is needed there would be no problem, T & R stated.

meetings, and for further information are invited to call 599-4897 evenings.

The summer activities of the Single Parents were held at a minimum, due to many members and their families being away enjoying their vacations.

Regular monthly meetings will be held on the second Wednesday of each month, at the Clubhouse.

Single parents meet tonight

The regular October meeting of the Single Parents of St. Albert will be held tonight (October 11) at the Clubhouse on Grenfell Avenue. Plans for future meetings will be discussed, including film presentations, and bringing in guest speakers on various subjects of interest.

All single parents who are residents of St. Albert are welcome to attend the

Speaker will emphasize problems of older child

Emphasis will be placed on the older child at the next regular monthly meeting of the Sturgeon St. Albert Association for Children With Learning Disabilities which will be held October 16 at Leo Nickerson School at 7:30 p.m. The guest speaker, Mr. Terry Pearson, councillor at W. P. Wagner School, has vast experience in working with this age group. His comments will provide valuable insight on the numerous and complex difficulties fac-

ing students who are now at the end of the "rope" academically. These young adults are not equipped to enter a high school program nor are they socially and academically prepared to go into the employment market. Many of these students are unable to realize their potential in the areas for which they are best suited. The junior high school pupil with a learning disability often finds he is simply marking time until he can either drop

out or be placed in a program such as W. P. Wagner School offers.

Mr. Pearson is keenly interested in the welfare of learning disabled students and feels he has much to share with the group attending this meeting.

Regular monthly meetings are scheduled for the third Monday of each month in the music room of Leo Nickerson School at 7:30 p.m. Please note the time change as requested by the school.

Have a Ball! Go Bavarian

For a fun night out "Bavarian" style get your tickets for the festival and dance at the Community Hall on Saturday, October 21. The Ladies Auxiliary to the Sturgeon General Hospital is arranging the Bavarian Night, and Bette Smithson advises that dress is very optional, and the Twilights who were so popular last year, will be back on the bandstand. Dancing goes from 9 - 1 a.m. There will be a door prize and other spot prizes, as is customary with Auxiliary functions, and in all the evening looks like great entertainment, for only \$7 per couple. Plus it helps support the work of the zealous Auxiliary members for Sturgeon Hospital. Call Jean Varner, 599-7060 or Sheila Cooper 599-6946 - they will be glad to see that you get tickets.

His Worship Mayor Ray Gibbon received Baha'i Faith Writings from, left to right: Darlene Cameron, Glen Cameron, Mayor Gibbon, Ian Brindie and Vicki Boucher. The presentation was made Tuesday afternoon in the mayor's private office at Town Hall.

Mayor Receives Baha'i Writings

Representatives of the Baha'i Community of St. Albert presented Mayor Gibbon with a collection of Baha'i Writings as a part of an international program to acquaint public figures with the central teachings of their religion.

The Baha'i Faith, an independent world religion, originated in Persia (Iran) about a hundred years ago and has spread rapidly to every continent throughout the globe. The central figure

in the Baha'i Faith is Baha'u'llah, Who taught the unity of God, the unity of God's prophets (Moses, Buddha, Zoroaster, Krishna, Jesus, Mohammed) and the unity of all men.

The aim of Baha'u'llah is not to destroy but to fulfill the revelations of the past, to reconcile rather than accentuate the divergencies of the conflicting creeds which disrupt present day society.

The fundamental principle enunciated by Baha'u'llah is that religious truth is not absolute but relative, that all the great religions of the world are Divine in origin, that their basic principles are in complete harmony and that their missions represent successive stages in the spiritual evolution of human society.

As there is no clergy in the Baha'i Faith, the supervision of local Baha'i affairs is vested in an elected group of nine adults, called an Assembly. The first Assembly in St. Albert was formed in April, 1972 and is a recognized legal entity. The first Baha'i marriage in St. Albert between Darlene Dyck and Glen Cameron was performed on June 30, 1972.

Liberal Candidate Covers S.A. Area

Students at St. Albert High had the opportunity to hear M. E. (Mel) Hurtig, the Liberal candidate for Edmonton West last week. On the same day, the busy Liberal candidate started early in the forenoon from his local headquarters in the Grandin Shoppers Mall, completed a round of manstreeting then addressed the students at Paul Kane High.

On Wednesday, October 11 Mr. Hurtig and his St. Albert Liberal Team will launch the "Meet Mel Night" with a parade at 6 p.m. from

Grandin Shoppers Park, ending up at the Roman Catholic Church (lower floor) where coffee will be served and an informal get-together will be held.

Saturday, Mr. Hurtig will be back in St. Albert in the Shopping Centre. Dave Stewart, who is in charge of the local Liberal office told The Gazette that Mel Hurtig himself has covered about 40 per cent of the St. Albert area of his constituency and that the local Liberal team has just completed 100 per cent coverage of the area.

Mel Hurtig, Liberal Candidate for Edmonton-West Riding, which includes St. Albert, talking to students of Social Studies classes at St. Albert High on October 11th.

Councillor Frank Lukay fought quite diligently to obtain a means of access to Balmoral Drive from the eastern side of Sir Winston Churchill Overpass. Now residents living in that part of Braeside can easily walk up or down these concrete steps and attain their destination without going the long way around. As Councillor Lukay explained his concern for this access, he explained that steps are safer, especially for children who had the habit of sliding down that steep incline during the winter months and invariably came to a stop in the path of traffic on Sir Winston.

Start on 'I Serve' Hotel

Continued from page 1

Mr. Shapiro explained that he was building a family-type hotel, a facility where families will be proud to stay and entertain their relatives and friends. "That's also the reason why I'm very anxious to have a staff made up of local people," he said.

When asked what the new hotel would be called, he replied that a name will have to be selected and that St. Albert Motor Inn (1972) Ltd. was only the name of the company building the hotel. . . "but not the name of the hotel." Mr. Shapiro did hint however, that the name selected for his hotel will have to be short, distinctive and could even be historically significant.

Announcement

Mr. B. L. Montpetit, President and General Manager of Bermon Development and Realty Ltd., takes pleasure in announcing the appointment of Graham A. Blacklock to his sales staff. Graham brings with him many years of business and sales knowledge and as a realtor, wishes to extend a welcome to all his acquaintances to contact him at 599-7786 or 599-3785 for all their real estate requirements. Graham has successfully completed a real estate course with the Edmonton Real Estate Board Multiple Listing Service.

Lionism's motto "We Serve" becomes "I Serve" this week, which is World Lions Service Week. Expanded from one day to one week by International President George Griedrichs, the week will stress personal involvement for Lions throughout the world.

The special week is designed to give Lions seven days to perform individual acts of service to mankind in such activity as visiting nursing home patients, taking underprivileged children on outings, and any act of kindness or humanitarian service which they choose personally.

Town of St. Albert

Town Arena To Explode

The Town of St. Albert, in conjunction with the Sturgeon General Hospital and the Provincial Emergency Measures Organization, is going to have an Exercise this Friday, October 13 at 1:00 p.m.

No, they are not really going to explode the Arena but for the purpose of the exercise, it will be assumed that a major explosion has occurred in the Arena and that about 40 people have been injured. The victims, in this case a group of student volunteers from the Public High School, will be rushed to the Sturgeon General Hospital and treated for their "injuries".

The exercise is part of the Town's policy to ensure that in the event of a real emergency, all the concerned agencies in Town and the Hospital would be able to quickly provide the services required. It will also provide an opportunity for the residents of St. Albert who happen to be on hand, to take part if they wish. Want to take part? Just be around the Arena at 1:00 p.m. on Friday, October 13 and if you have a station wagon or pick up truck, you could be an ambulance driver for a few minutes. Sorry, no stress provided, but you will get V.I.P. treatment from our local RCM Police detachment.

The following is IMPORTANT:

1. The student volunteers acting as victims will be 'made up' to look badly injured. Do not be alarmed at the sight of 'made up' wounds.
2. Any parents of students taking part in the exercise are invited to test the system and find out if their students are exercise victims and what kind of exercise injury they have.
3. Any interested persons are invited to watch the exercise at the Arena at 1:00 p.m. October 13 and those with station wagons or pick up trucks may, by identifying themselves to the RCM Police, act as ambulance drivers for a couple of minutes.
4. All normal EMERGENCY services provided by the Hospital, RCM Police and Fire Department will be available during the time of the exercise. If you need this service, phone for service and indicate REAL EMERGENCY.

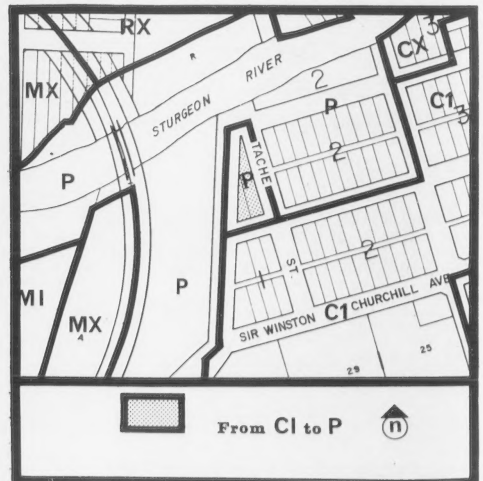

The St. Albert Girls' Curling Club this year has 10 rinks already registered in comparison to last year's 8-rink club. The above five young ladies were elected to the executive recently and will serve during the 1972-73 curling season. They are left to right: Jill Schlinkinger, president; Denise Lantinga, vice-president; Allison Argy, secretary-treasurer; Debbie Scharf, social convener and Karen Hoosier, ways-and-means. Girls interested in joining please phone Mrs. Sally Oakes at 599-4537.

Town of St. Albert Notice of Public Hearing

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act 1970 R.S.A., as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone Lots 21-23 incl., Block 1, Plan G presently zoned Commercial - Central Business (C1) to Park (P).

The proposed By-Law #54/72 may be examined between the hours of 9:00 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 6th day of November at 7:35 p.m.

Written objections to the proposed by-law will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 1st day of November, 1972. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. B. BOWEN,
SECRETARY-TREASURER.

Around Town

One thing for sure, a would be bank robber would have to be pretty sharp to knock-off our lending institutions in St. Albert. Proof of this was made evident last Friday when the local constabulary responded to the alarm from the Toronto-Dominion Bank on The Mall. It turned out to be a false alarm, triggered by a faulty connection somewhere in the network.

All elementary classes in Town will be visited by Librarian Don Mills in the next few weeks in order to promote the use of the public library by local children both for research and enjoyment. A brief stop in each classroom will enable him to explain the Library's

new regulations as well as to talk about new books of interest to each grade. The schools are publicly thanked for their full support in this endeavor and the public library looks forward to close co-operation with the schools in the coming year.

A Scouting Exposition will be held at the Fort Saskatchewan Elementary School Wednesday, October 18 at 8 p.m. Citizens of the area are cordially invited to take in this important event and learn all about scouting and what the program can do for your youngster. Hosted by the Fort Saskatchewan group which forms part of the Elk Island Scout District, this Scouting Exposition will feature all four sections of the

scouting program, Cubs, Scouts, Venturers and Rover. Visitors will be afforded an opportunity to meet district and regional service team members and ask questions if they wish to have certain phases of the scouting program qualified. Following the event coffee will be served at an informal get-together.

The St. Albert-On-Sturgeon Players will hold their first audition Sunday, October 15 in the Public Library at 2 p.m. for the forthcoming three-act play, Green-sleeve's Magic, by author Marlon Jonson. The play will be directed by Phil Upright and presentations will be on stage during the first two weekends in December. (Exact time, date and place will be announced later). Green-sleeve's Magic was played in Edmonton a few years ago and thrilled junior and adult crowds for many weeks running, so a real treat is in store for citizens of St. Albert and surrounding districts.

Two members of the St. Albert detachment of the RCMP got on the Fall Promotion List issued out of Ottawa last week. Sergeant J. Roy, effective October 1 was promoted to the rank of Staff Sergeant while a member of his staff, Constable D. Vars, effective the same date, was promoted to the rank of Corporal. Congratulations are in order.

Reverend Len Musto of St. Albert United Church will be in Wetaskiwin on Sunday to conduct the worship service in the United Church there. The service will be broadcast by radio at 10:30 a.m. In St. Albert United Church the Salvation Army are in charge of the service in conjunction with the Army's 90th Anniversary in Canada.

Last Chance

The St. Albert Singers, faced with the fact of too few male voices to carry on their program for the season, may be meeting for the last time Thursday evening! The decision to disband came during Thursday night's rehearsal when it wall all to evidence that the choir could not continue without more men. A last attempt to carry on will be made next week.

The choir feels that in St. Albert and the surrounding areas there are men who enjoy singing. If you are one of these, they invite you to join them. You'll have an opportunity to enjoy fellow-

ship with your neighbors, to learn while you sing, and most important, to share in a varied and worthwhile musical experience.

Plans were to work on Folk Songs, Negro Spirituals, selections from South Pacific, as well as present special Christmas and Easter music in the community. The choir, under the direction of Mrs. Lillian Upright, will try once more Thursday evening, at 8:45 p.m., October 12, in the lower hall of the St. Albert United Church.

Help them keep our community choir alive!

Jesus Christ Superstar, being presented by the Pitch and Spice singers and musicians at St. Albert Roman Catholic Church Friday evening, features Ray Huberdau as Jesus and Peter Byl as Judas in photo at right. These two major roles were played by Ray and Peter in last spring's production as well.

The choir of 260 students from St. Albert High and Father Jan schools is about twice the size of last year's. Ray LeBlanc, left, on lead guitar and Hank Commandeur on Bass guitar in above photo are backed up by drums, trumpets, organ, piano and further electric guitars in the instrumental section.

At right Father Ubald Duchesneau at work rehearsing his large group of young musicians. Following their performance here the groups will give two presentations of "Superstar" in Prince Albert and one in North Battleford at the end of the month. Advance tickets for Friday evening are available at \$1.50 from Sweetheart Jewellery or any choir member. At the door price is \$2.00 on October 13.

Staff Added To Library

There will be a couple of new faces around the Library starting this week. First, the Library is happy to welcome to its staff Mrs. Effie Nelson, who joined the staff this week as Library Aide.

Mrs. Nelson is formerly from Athabasca where she was the secretary to the superintendent of schools. Now residing in St. Albert on Gillian Crescent, Mrs. Nelson and her two daughters are welcome newcomers to the Town.

In addition, Mrs. Jean Burgess, a local resident, is working in the Library six hours a week in connection with her Library Technician's course at Grant MacEwan Community College. The Library is happy to be able to afford this opportunity to a local person!

St. Albert Runners Finish 4th at Meet

On Saturday, October 7, a cross-country team composed of students from Vital Grandin and Father Jan Schools competed in the Eleventh Annual CAHPER Cross-Country races for Junior and senior high school students of Edmonton and district. CAHPER is the Canadian Association for Health, Physical Education and Recreation and offer this cross-country race to our youth to acquaint them with a worthwhile form of physical activity and to improve their physical fitness.

With approximately 900 competitors running in 13 races, the keen spirit was very much in evidence at Kinsmen Park. The girls were turning in times in the area of 5 1/2 to 6 minutes all day for their one-mile run, indicating the kind of preparation that these students have put in.

The boys ran in races varying from one-and-one-half miles for 11 and 12 year olds to two miles for 13 and 14 year olds and two-and-one-half miles for 15 year olds -- very gruelling races indeed!

Many students helped to put St. Albert in fourth place out of about 30 junior high schools competing. The following runners placed in the top 10 in their respective races:

11 year old Girls: Sandra Russell, sixth; Lydia Kehoe, eighth.

12 year old Boys: Larry Sander, third.

12 year old Girls: Mary Anne Sanche, second; Cheryl Baril, fourth; Kathy Rothermel, fifth; Cindy Lansink, tenth.

13 year old Boys: Mike Lemieux, fourth; Phillip Cordell, sixth; Mike Wynnyk, ninth.

14 year old Boys: Brian MacDougall, third; Bob Lewis, sixth.

15 year old Boys: Sandy Milroy, tenth.

Other team members were: Danny Kehoe, Rosemary Commandeur, Blake Milroy, Nelda Schulte, Pat Drouin, Mary Schelbelhofer, Bob Dragich, Brad Tas-

chuk, Maureen Dolphin, Carol Journoud, Jim LaBelle, Monique Woertman, Pat Woertman, Amy Vacirca, Ronny Bruinink, Pauline Ouellette, Robbie Weller, Sheralee Ohtinsky, Kathy Hoffart, Bernie Dolphin, Neil Wenger, Joe Rapati, Isabelle Ethier and Ed Cruse

Local 'B's Team Wins Tennis Championship

The B Interclub League playoffs were finally wrapped up last weekend, after several delays due to tournaments and cold weather. The St. Albert Bteam, which has been in the finals for the past five years, finally pulled through to win the Brower Shield for the first time since 1963.

The St. Albert team, which finished the league in first place, defeated Fort Saskatchewan 10 - 5 in the semi final and then defeated Hillcrest in the final by a close 9 - 7 margin. In the final game the St. Albert mens doubles team of Roman Mureika and Fred Rudolph defeated Keith Ketchuk and Cal Edwards 2 - 0 while the ladies doubles team of Sandy Warren and Angela Miller lost 2 - 0 to the Hillcrest pair of Cynthia Baker and Sylvia Harrill. The mixed doubles both split.

Roberta Parsons and Clark Warren were the other team members during the season. The three men on the

St. Albert team were all promoted to A players at the recent Edmonton Tennis Association ranking meeting so they will not be able to defend the championship next year. They will join the four St. Albert players who are currently ranked A.

The A Interclub playoffs are still incomplete with the Glenora team having a 6 - 2 lead over the St. Albert team (Dave Kirk, Betty Ontkean, Judy Wood, Cynthia Sage, Clark Warren). Hopefully the series will be completed this weekend.

Mrs. Smith, seated in her living room, heard the back door slam. Thinking it was her young son, she called: "I'm in here, darling. I've been waiting for you."

There was no answer for a moment, then a strange voice faltered: "I'm sorry, but I'm not your regular milkman."

Physical Education Instructor Joe Laplante presents Cross-Country Trophy donated by the St. Albert Local of the ATA to Mike Byl and Isabelle Ethier. Seated in front are the Father Jan Cheerleaders: front row, left to right: Brigitte Chelkowski, Eliose Laperle, Michelle Fillion; back row, left to right: Karen Heiten, Karen Harkness, Barbara Langen, Cindy Deslauriers. (Missing is Yvonne Lansink).

F.J. - V.G. Retain Cross - Country Cup

The awesome combination of Grade 7's from Vital Grandin School and Grade 8's and 9's from Father Jan School literally ran-away with the St. Albert ATA Cross-Country Trophy for the second year in a row. Final tabulations show the Father Jan - Vital Grandin combination accumulated 193 points to second place Simpson's 56 points. The run-off involved all St. Albert junior highs - Sir George Simpson, Sir Alexander Mackenzie, Vital Grandin and Father Jan.

The competition was held at Father Jan School on a course which included one very long gradual climb and a second shorter but quite steep hill. The length of the course was one mile and was definitely very gruelling and very "cross-country."

Several excellent times and performances were tur-

ned in by runners. The best time of the day was turned in by Mike Byl in the 14 year old race at five minutes 32 seconds.

RACE WINNERS & TIMES

11 year old Girls: Sandra Russell, Vital Grandin; Boys: Mary Schelbelhofer, Vital Grandin.

12 year old Girls: Mary Anne Sanche, Father Jan, 6:54; Boys: Larry Sander, Vital Grandin, 6:19.

13 year old Girls: Teresa Russell, Simpson, 6:48; Boys: Mike Lemieux, Father Jan, 5:43.

14 year old Girls: Val Green, Simpson, 6:35; Boys: Mike Byl, Father Jan, 5:32.

Bruin Inn To Sponsor Junior Hockey Club

President Ron Yanosik announced today that the Bruin Inn has agreed to sponsor St. Albert's entry into the Edmonton Metropolitan Junior Hockey League.

At a meeting Tuesday between Albert Hauptman of the Bruin Inn and Ron Yanosik, it was agreed that the new junior club will be known as the St. Albert Bruins. The Bruin Inn has been a St. Albert landmark for many years, Mr. Yanosik is most pleased to use the trade name Bruins for the new club. The Bruin Inn has been associated with many

aspects of sports and a meeting place where many a game has been hashed out and replayed.

This association again portrays a community spirit of the management of the Bruin Inn.

The first home game for the Bruins will be Friday, October 20 when Clare Drake brings his U of A team out. Mr. Drake has always had excellent teams

and will no doubt come up with a good squad.

The Bruins will now step up their campaign for their first annual program and promotions manager Garth Leask announced that all businesses will be contacted in the very near future. Interested firms wishing to participate in the program may contact Mr. Leask at 599-3825.

Coach Rick Le Lacheur has now reduced his team to 24 players with many being from St. Albert and district. Rick hopes to have the team set this weekend and is most enthusiastic with the players.

Practices are being held each morning from 6:30 to 8 a.m. in the Arena.

4th Cub Pack Starts Friday

Meetings of the 4th St. Albert Cubs Friday night pack will start on October 13. The meetings, to be held on a weekly basis at the Albert Lacombe School, will run from 6:30 p.m. to 8:00 p.m.

Late registrants are welcome. If your son is not sure he would like to become a cub, he may attend as a guest. For further information, please do not hesitate to call 599-4542 and speak to Rick or Helen.

Schedule Change

Following their meeting last night the St. Albert Kinsmen have announced a change in schedule for the grading of players. The Thursday grading has been divided into two groups of PeeWees: 11 years from 6:30 to 7:30 p.m. and 12 years, from 7:30 - 10 p.m.

Friday grading of Mites is also divided, 9 years from 6:30 - 7:30 and 10 years from 7:30 to 9 p.m.

RECREATION ST. ALBERT HI - LITES

SQUARE DANCING:

The St. Albert Saints and Sinners enjoyed their first dance of the season last Saturday evening.

They will also be sponsoring a class for beginners which will be held on Saturdays at 7:30 p.m. in the Clubhouse (beside the swimming pool). The first lesson will be held on Saturday, Oct. 14 and anyone who is interested in learning to square dance or in brushing up their dancing is invited to attend.

For information about square dancing in St. Albert or the class for beginners, please phone Mrs. Terrault at 599-6896 or Mrs. Jenkins

at 599-8831.

LADIES NIGHT OUT:

Need exercise? Want a night out? New in town and want to meet other ladies? The IWCA just might have the answer for you.

Starting on October 19, an evening of physical activity will be held on Thursdays in Father Jan School, Mission Avenue, from 8 - 9:30 p.m. Activities will include keep fit, volleyball and basketball and Mrs. Bonnie Childs will be there to see that everyone is kept active and happy. She is the very popular instructor of the keep fit sessions of the meetings of the Y Neighbors held on

Monday mornings and ladies that perhaps there are feelings who are not free during the day but need exercise and this Thursday program may be what they are looking for. Phone the Department of Recreation at 599-6601 for further information.

CHILDREN'S GYM:

There will be a pre-Christmas six-week gym class for the 4 - 5 and 6 - 8 year olds. Details will be announced shortly.

SKATING:

The classes in learn-to-skate, power-skating and figure skating, sponsored by the St. Albert Figure Skating Club, are scheduled to start in the Arena next week. Incidentally, the Learn-to-skaters have been christened the "Penguins".

ST. ALBERT SPORTS CLUB Young and somewhat older - adults can get some exercise by going to Father Jan School on Wednesdays from 8 - 10 p.m. or St. Albert High School on Tuesdays from 7:30 to 10 p.m.

The exercise could be volleyball, basketball and/or badminton and activities start in Father Jan on October 11 and in St. Albert High School on October 17. Phone Bill Siemens at 599-8229 for information about the Wednesday evenings and Ron Prior at 599-6844 about the Tuesday evenings.

Canadian Dairy Princess Carol Bancroft of Cochrane, Alberta, crosses her fingers for good luck as she buys the first ticket in the new \$50,000 KINStakes 111 sweepstake which got underway throughout the province recently. The inaugural sale was made by William L. Hite of St. Albert, governor of the Association of Kinsmen Clubs, District Four, which is sponsoring the project.

Referees Clinic

A Referee Clinic for the Kinsmen Minor Hockey program will be held this weekend at Sir George Simpson School, commencing Saturday at 8:30 a.m. to noon, then from 1 - 5 p.m. On Sunday the morning session goes 9 - 11:30 and Sunday afternoon at the Arena from 12 noon to 1:30. An examination will be held from 2:30 - 5 at the school.

PSS Initiates Safety Meeting

About 30 St. Albert citizens answered the invitation to a meeting Thursday night held at the Town Hall, to discuss safety and its various aspects.

Recommended by Town Council that the St. Albert Preventive Social Services convene a meeting at which 'Safety' be studied, chairman of the PSS Board, R. Bailey and executive members called the meeting and drew a strong cross-section of residents who are deeply concerned with safety and all its ramifications. Present, besides representatives of the hosting PSS Board were members of Town Council, No. 6 School Board, Medical Profession, Law Enforcement Agencies, Clergy, Fire Department, Educators, Businessmen

and concerned mothers and fathers.

Fourteen prime areas of safety-concern were listed and these included in part: bicycles, children to and from school, water safety, boating, traffic, fire prevention, home safety, drugs and poisons, personal safety relating to adults and children while at play, industrial safety, children with pets, safety education, consumer education relating to products the average person purchases. The list could go on and on, thus making those present realize that safety can be implemented in our everyday life because causes for accidents are all around us.

To kick-off the discussion, Dr. Jim Howell of the Sturgeon Health Unit displayed a break-down of acci-

dent statistics through a visual aid, also showed a basic plan of the structure of a safety agency which could be implemented here in St. Albert.

"We have to study the root causes of accidents," Dr. Howell explained, "then we must break these causes down into categories and follow up with a program which will help reduce or even eliminate the offensive area." For example, Dr. Howell pointed out the fireworks issue which revealed at coroner's inquest here in St. Albert, following a summer tragedy involving children in a tent fire. "Recommendations from the coroner's jury," said Dr. Howell, "had a tremendous

impact on provincial legislators and the federal government, whereby fireworks are now stringently controlled." Dr. Howell concluded his presentation by saying that a safety program is indeed a very necessary one to undertake... but it must not be pushed into being during a concentrated period, then dropped until the following year. He explained his remarks by using the Pedal Pusher's Program, which he effusively lauded, but added that youngsters on bicycles should be constantly reminded of their obligations towards safety, "every day if need be," he said.

Following up Dr. Howell's presentation was J. B. Mc-

Whinnie, manager of the Edmonton: Safety Council who brought forth many constructive suggestions which will surely assist the local group with its formulation of a St. Albert Safety Campaign.

A Steering Committee was selected to hammer out a local safety program. With input to work with, as it was received during the meeting, the Steering Committee will

study the material received, avail itself of co-operation offered by the Edmonton Safety Council as well as volunteer assistance from local experts in various fields and come back with a report before October 19. The five members of this committee are Dr. Jim Howell, Mrs. Jane Nelson, Mr. Goodman, Mr. Eric Robinson and Mr. Peter McCaffery.

Historical Society Contest Invites Logo Submissions

The St. Albert Historical Society is looking for an original symbol or logo and is inviting all St. Albert residents to contribute their ideas. The contest has been arranged in three classes:

CLASS 1 - open to students in all St. Albert schools from grades 4 to 7.

CLASS 11 - open to students in all St. Albert schools from grades 8 to 12.

CLASS 111 - open to any resident of any age living in St. Albert and District.

DEADLINE:

Entries must be submitted to Mrs. Renee Laird, Secretary of the St. Albert Historical Society, at the Town Hall, Parks and Recreation Dept., and postmarked not later than midnight, Nov. 11, 1972. Winners names will be published in the St. Albert Gazette and each winner will be awarded by letter.

One prize of \$10 will be awarded in each class. In addition, a "Grand Prize" of a framed reproduction of a sketch of early St. Albert will be awarded to the entry, which in the opinion of the judges, is the best overall design.

DESIGN AND SIZE:

Entries should be submitted on standard size white paper. The design should be such that it can be reproduced in any size. A suitable design is one that could be used on letterheads and membership cards. Entries should be simple in line and character.

COLOR:

A minimum of colors would be preferable. It would be an advantage that, if necessary, the logo could be reproduced in black and white with no loss to its character.

DETAIL:

Reference to detail relating to St. Albert and its history would be desirable as a theme. The name "St. Albert Historical Society" or

initials of the Society should also be included.

Each entry should have attached on a separate sheet of paper, an explanation of symbols, colors, etc.

Persons wishing to submit more than one design may do so, providing that each entry is on a separate sheet of paper and is accompanied by a separate explanation of

A couple living in an earthquake zone had experienced several slight shocks as a precaution they sent their somewhat mischievous son to live with a relative elsewhere.

A few days later they received this wire: "Am returning your boy. Send earthquake."

the design.

All entrants must state clearly (PLEASE PRINT) in the upper left hand corner on each sheet of paper, their

name, address, and in the case of students, the name of the school they are attending and the grade and class they are in.

Reader Comment Volunteers Alienated

The Editor:

I am concerned about the fate of St. Albert's -- "Mother's Day Out" program.

Last year some 40 local mothers were happy and willing to volunteer their time and effort to ensure the success of this very worthwhile activity. As a result many mothers were able to have a day to themselves once a week, relieved of their burden of child care.

There were three volunteer supervisors, including

myself, who shared the administrative duties. Two of us had expressed a willingness to continue in this capacity.

Now those in charge, claiming lack of volunteer support, have decided to create a position of paid supervisor.

Such a move would, I fear, alienate many volunteers and seriously erode yet another facet of our cherished "community" concept of citizens doing things for themselves.

Tire Grade Terminology "Confusing"

If you have tried to buy tires recently, or if you are planning to buy some in the near future, you will see it is almost impossible to make a rational choice because there is no clear terminology and grading for tires.

BY SUCH TERMS AS PREMIUM, DELUXE, OR FIRST LINE BECAUSE THEY MEAN NOTHING. Each manufacturer can set his own standards for these terms. Add to this other technical expressions such as plies, bias-belted, radial, and cords, and the consumer becomes thoroughly confused.

As of January 1st, 1970, all tires were to bear several pieces of information molded permanently into the sidewalls. These were: size designation; maximum permissible inflation pressure; maximum load rating; identification of the tire manu-

facturer; the composition of material used in ply cord; actual number of plies in the sidewall and the actual number of plies in the tread area, if different; statement that the tire is of the tubeless or tube type; statement that the tire is radial if a radial-ply tire.

Of the three classes of tires, the radials give longer mileage and better traction. Unless the original tires on your car were radials, your car should be specially adjusted for radials if you wish to use them. This is necessary because of the different handling characteristics of radials compared to other tires. Also, if you do use radials, all tires on your car should be radials, including snow tires. Bias-belted tires, although not as good as radials, generally, give good mileage and good traction. Bias-belted tires should al-

ways be used in sets of four. However, they may be used together with bias tires if the bias-belted tires are placed together in the front or in the rear. Never have different types of tires on the same axle. Generally, you should put the tires with the best road holding

characteristics on the rear axle.

One of the best tests of religious sincerity is to find yourself in church with nothing less than a five-dollar bill in your pocket.

ALBERTA NEW DEMOCRATIC PARTY

**A Message To Voters
In St. Albert
From Your NDP
Candidate, John Packer**

I AM SORRY THAT WE HAVE NO CAMPAIGN OFFICE IN ST. ALBERT. BEING FUNDED ALMOST ENTIRELY BY CONTRIBUTIONS FROM OUR MEMBERS IN THE EDMONTON WEST CONSTITUENCY AND WITHOUT OUTSIDE SOURCES TO CALL UPON, IT WAS SOMETHING WE JUST COULD NOT AFFORD. I AM SURE YOU UNDERSTAND AND WILL BE VOTING FOR THE PARTY WITH THE BEST PROGRAM FOR CANADA, NOT THE ONES WITH THE MOST MONEY.

THANK YOU.

The TD bank has a new way to lend you money.

It's called
CASH-FLOW

This is our new way of turning your personal loan wishes into reality. It's the money you're earning that counts most with us, not your possessions. Here's why.

You're probably basing many of your major expenditures on a cash-flow system right now. For example, you figure how much money you'll have coming in over a period of a year, and how much you plan to spend during the same period. This difference between income and expenditure is your guide to the amount you may comfortably borrow.

That's what our cash-flow way of lending you money is all about. Simple-enough, isn't it?

Stop in. And ask us about a personal loan—the new Cash-flow way.

Borrow the TD way
and smile all the way from the bank.

Longer Hours Spark Library Circulation

With the Library's new longer fall hours, circulation has been steadily increasing and setting new records. The Library is now circulating an average of 350 books a day. This means that the entire collection circulates once every two months. And that gives you an idea of the place of reading in this town!!

The Library is sporting a new look these days after a long overdue paint job. Fortunately that premature spell of winter has been followed by enough decent days to allow Journoud and company to tackle the job. And complete it in record time!!

New books continue literally to pour into the Library every day. About 3,000 books have been added so far this year. Also, the many new magazine subscriptions are beginning to arrive. Lists of the latest books and magazines added to the Library's collection are posted in the Library. And remember -- unlike some libraries, all our magazines may be borrowed.

"Pots here, pots there, pots and more pots everywhere!" Until October 21 the Library has a collection of ceramics by Pierre Guy, an Albertan potter, on dis-

play. This popular exhibit is provided by the Arts and Crafts Division of the Department of Culture, Youth and Recreation. The many fine pots should be a source of inspiration and delight to all local artists of the wheel.

Last week saw the beginning of the Fall Preschool Storyhour at the Library on Wednesday at 2 p.m. and Friday at 10 a.m. There were over 40 children at each session and judging by the good time had by most, they will be back. With all of them on board the Magic Carpet stories, games, and songs helped pass the time until the Cookie Monster and all his friends appeared. After a short visit with the puppets all were content to say good-bye with a favorite book in hand!

Although we are now into the second quarter of the membership year, quite a few library memberships have not yet been renewed. Is yours one of them? Membership fees for the remaining eight months of the membership period are: 75¢ for an individual; \$1.50 for a family.

When we were borrowing ideas from older cultures, who was the idiot who passed up the siesta?

Breakfast Lions To Help Museum

About an even dozen Lions braved the chilly early morning trip to the Purple Dude Tuesday to take part in a hearty breakfast, warm fellowship and plans for the coming winter season.

Lion President Stan Shottland read a letter from the St. Albert Historical Society making an appeal for assistance in promoting St. Albert through the sale of post cards. The Breakfast Lions approved the proposal in principle and unanimously agreed to discuss the matter further at Thursday's executive board meeting. The site for this important meeting is the Sir George Simpson School and the time is 9 o'clock Thursday. Members of the executive and the general Lion membership are welcome.

Lion President Stan Shottland reminded those present that October 27 - 28 will be a red letter period for the Shrine - Lion - Kin Stakes Blitz. He urged members to volunteer for this fund drive.

After introducing Past District Governor Rudy Ripple of Josephburg and visitor Jack Hearfield, the Breakfast Lions heard a report from Lion John Kaminski on the progress being made with the Lions Band. Lion John said his committee has received a generous number of volunteers both beginners and non-beginners and he expressed confidence that a vigorous band and a brace of major-ettes will be in full swing soon.

Lions were reminded of Charter Night, October 20 at 7 p.m. in the Community Hall. This is a joint Supper and Breakfast Lions party for which only 150 tickets are available. Lions are urged to contact Lion Ed Dunk

at 599-7126 and pickup their tickets.

Lion Kaminski spoke for Harry Gaffney, who was in charge of painting the bandshell but was not present to collect accolades. Lion Gaffney's helpmates in the painting operation were Lions: Gordon Saldier, Dr. W. Cuts, Stan Shottland. Lion John also reported that he

had contributed 'expertise' in repairing damages to the bandshell done by vandals and promised he'd secure the bandshell roof in such a way whereby youngsters could not climb up and cause damage.

The question of Lion callenders was briefly and hotly discussed. Action will be taken.

Army will conduct United Church service

In keeping with the 90th Anniversary Western Canada Congress of the Salvation Army, being held in Edmonton, October 13 - 15, St. Albert United Church has invited Major D. V.

Goodridge to conduct their service on Sunday.

Major Goodridge, who is the Army's Public Relations Officer, is presently serving in Saskatoon. He and Mrs. Goodridge and others of the

Salvation Army will be conducting the entire service, using the Army style and music.

The Army has arranged a full weekend program of public events to celebrate this anniversary, including a dramatic new musical of the problems facing young adults. Entitled "Hoses" to be presented in the Jubilee Auditorium at 8 p.m. Satur-

day. Tickets are \$1.50.

On Sunday the program includes four events at the Auditorium: "Coffee, Cake and Conversation" at 2:15; 90 Years in Canada at 2:45; Anniversary Rally at 3 p.m. and Congress Evangelistic Meeting at 7 p.m. Tickets for all Congress events are available through Divisional Headquarters of the Salvation Army. Phone 423-2111.

AROUND TOWN

Lize Morin, a weekender-partner student, won the \$100 money doll at the Thanksgiving Tea and Bake sale held Saturday afternoon at Legion Hall. Formerly of Sonora Drive, Lize is now at Spruce Grove, and Pre-

sident Doug Taylor of St. Albert branch drew her name. The Auxiliary girls were more than pleased with the success of this project reports Ellen Gibbon, and are grateful to all who supported it.

The Thule people who settled the Arctic coast 10 centuries ago hunted Greenland whales and used the mammals' massive bones as beams for their houses. When climatic changes brought year-round ice that ended whale catching, they abandoned their villages for igloo hunting camps and pursued seals and walrus.

ARE YOU AFRAID OF OLD AGE?

Are you afraid that health and vigor are slipping away from you?

The Bible explains that these come from God. That God-given energy is like a "well of water, springing up into everlasting life."

You can begin to learn how to prove this in your own experience by coming to a Christian Science service this Sunday. We'd love to welcome you.

John Packer, NDP In Edmonton West

Dr. John Packer was born in Reading, England, a week before the great stock market crash of 1929. He attended state schools in England and also attended university there. He holds degrees of B.Sc. and Ph.D. from the University of London.

JOHN PACKER - NDP

John Packer came to Canada in 1957 and since that time he has been associated with the University of Al-

berta, where he is a professor of biology.

Dr. Packer has specialized in arctic biology and enjoys an international reputation in his field. As a concerned Canadian citizen John Packer has been active in peace work over the years, has worked for the preservation of parkland and is a former president of the Alberta Human Rights Association.

He is married with four children and has lived in Edmonton West for the past 12 years.

Mr. Packer, the NDP candidate for Edmonton West stands for full employment, decent housing as a basic social right, Canadian ownership of resources and industry and a thorough study of personal and corporate tax structures.

Bottle, Can Return Plan Set Jan. '73

The Honourable W. J. Yurko, minister of the environment, has announced a new system for the return of beverage containers, to become effective January 1, 1973.

Mr. Yurko stated that in determining a workable system two over-riding considerations were established: the use of the refillable container must not be jeopardized, and the system must be convenient for the consumer.

Starting the beginning of next year, all retail stores throughout the province that sell soft drinks will accept for refund all refillable soft drink containers (bottles) of the type and brand they sell. At the same time, universal depots which will take back all beverage containers will also be established.

Under the new system, the manufacturer of the beverage will have to pay the retailer or depot operator a one cent per container handling and sorting charge.

This is Fire Prevention Week - October 8 to 14 - but every day should be Fire Prevention Day in the home and place of business, then, tragedies such as those reported by the media as cited below need not have happened:

Three unattended youngsters were asphyxiated in a small log shack at Wabasca, Alta., from a stove fire which ignited a paperlined wall. From Frog Lake, also in Alberta, comes the sad report of a fatal fire caused by a girl, 4, who played with matches, according to the investigator. The girl lost her life and those of a sister, 2, and an infant brother who had been born just three weeks before.

The remorseful mother had been visiting nearby.

A stroll in the woods at this time of year is an experience in beauty and tranquility... a rather rare commodity in this age of speed, noise and pollution. This delightful scene was captured on film by The Gazette's Vic Post. It portrays a shady country road winding its way along Carrot Creek about six miles West of St. Albert... just North of Roger Brunelle's farm.

Everybody Welcome

Pat Mills, a resident of Fairhaven Acreage Estates is justly alarmed at the condition on a stretch of road north of the Estates, leading towards what is locally known as Squaw Bridge. Photo one is taken on the fairly steep hill approaching a curve in the river for about 500 yards, showing guard rail on the east side, along the bank of the Sturgeon River. The road is narrow and in poor condition. Location is about four miles west of the weigh scales on highway 2 north, and three miles south.

Photo two shows Pat with his foot on a very weak post supporting the rail along a curve in the river, which is a drop of approximately 12 feet down. At this curve the river has been gradually eroding away the road, which is dropping into the river. Washout from the rail is in spots as much as three feet into the road.

The post Pat indicates in photo three is in effect just dangling, with eroded hole showing under the rail beneath his foot. For two cars passing, or a car and bus, the rail offers no protection, and with snow on the road the situation will be even more hazardous. The school bus passes here twice daily, fully loaded with three on a seat. Pat is not complaining about his taxes (about \$950 per year), and he has no children in school. But he is most concerned that this section could be disastrous this winter and spring, unless something is done RIGHT NOW, before winter sets in. Mr. Mills has contacted a councillor for his division, Mr. Bill Flynn, and Reeve Walter Van de Walle, but no action has been taken. The Gazette believes with Mr. Mills that this spot could be the scene of a tragedy if something is not done immediately.

Western Canada Party Candidate In Pembina

SAM DAVIDSON - WCP
Sam Davidson, Western Canada Party candidate contesting the Pembina seat was born in Clover Bar in 1916. After attending public and high schools in East Edmonton, he worked in coal mines as a young man then travelled to Sudbury, Ontario where he worked for International Nickel.

When World War II broke out, Mr. Davidson first joined the Army then re-enlisted in the RCAF. Graduating as a Sergeant Air Gunner, Mr. Davidson went Overseas and completed 29 Operations as a member of the 426 Squadron. In 1943 he was awarded the Distinguished Flying Cross. Later, he flew 10 more Operations, this time as a member of the 428 Squadron.

While still in Britain, Mr. Davidson married and has a

family of seven children, two of whom are still at home.

After returning to Canada at the end of hostilities, Mr. Davidson worked for a while in the coal mines and later farmed in the Ft. Assiniboine District until 1960 when he moved to Edmonton where he became a pipefitter, and is presently employed on construction projects.

Mr. Davidson is a member of long standing with the Montgomery Branch of the Royal Canadian Legion.

Contests Wetaskiwin Seat For Socreds Goetz

ALVIN GOETZ - S.C.

Alvin Goetz, 38 of Bluffton, Alberta is the Social Credit candidate contesting the federal constituency of Wetaskiwin.

Born and raised in Bluffton, Mr. Goetz began showing special talents and interest in politics in relation to agriculture at an early age. Active in the 4H movement, Mr. Goetz remained with that organization until he joined the Junior Farmers' Union in which he served as director.

Later, he joined the senior branch of the Farmers' Union and served as county director for two years.

In 1955 Mr. Goetz graduated from the Vermilion School of Agriculture. Because of his distinguished service in agriculture and his varied community service activities, Mr. Goetz was one of two Canadians to be awarded the Neffield Scholarship in 1963 which qualified him to study in Great Britain.

Employed as a public relations fieldman for one of Alberta's largest farm co-operatives, Mr. Goetz joined the Alberta Social Credit League and subsequently became president of the Wetaskiwin Federal Constituency Association in 1970.

In April of this year, Mr. Goetz was nominated at a Social Credit convention,

Lionel Udenberg - NDP

Lionel Udenberg, the NDP candidate contesting the Wetaskiwin seat in the present federal election has been a resident of the Wetaskiwin area since 1939.

Mr. Udenberg is a veteran of World War II, holds a Bachelor of Education degree from the University of Alberta and is presently principal of a school. He farmed for 10 years, worked for seven years in the Producing Department of an oil company. While so employed, Mr. Udenberg represented the workers for the oil company.

In the past few years, Mr. Udenberg served in various

capacities on the Alberta Teachers' Association and also served two terms on the Royal Canadian Legion executive. The NDP candidate for Wetaskiwin is married and has two daughters and one son.

LIONEL UDENBERG - NDP

He firmly believes that campaign funds should be disclosed, that the labor code be improved to avert costly strikes and that a fair taxation system be implemented to reduce the tax burden on lower and middle income citizens.

Schellenberger, PC For Wetaskiwin

Who is Stan Schellenberger?

He is a 24 year old Spruce Grove man, aggressive and ready to put all his efforts into helping his fellow citizens in the Wetaskiwin Constituency.

He received his primary education in Spruce Grove and Stony Plain, and went on to take four years at the University of Alberta. In 1971, he married Miss Deborah Enders from Beach Corner. Upon receiving his Bachelor of Science degree in Agriculture, he was offered and later accepted the position of Manager for Bell and Sons, Canada Ltd. in Northern Alberta.

He has been active in the Y.P.C. and Provincial Constituency organization as well as in many organizations in his community. To mention a few: Director of Chamber of Commerce, Overall Leader of Spruce Grove 4H Clubs, Director of the Agricultural Society, Committee Member for

S. SCHELLENBERGER - PC

Farm Family Award and a Member of the Edmonton Exhibition Association.

His experience with people, his education and natural abilities will make him an excellent representative for this constituency.

Some Northwest Indians revered huckleberries, venison, and salmon as sacred food signifying nature's providence, National Geographic says.

Vimy Woman Passes At 82 Years

By Jeanne Laplante

Funeral services were held on Saturday, Sept. 30 for Mrs. Arthur Provencal, 82 years of age, a former long time resident and pioneer of Vimy. She passed away on Sept. 27 after a long illness. She was predeceased by her husband in 1960. Mgr. Rooney of Westlock officiated in Our Lady of Victories Church, Vimy and serving the mass were twin grandsons of the deceased, namely Paul, Peter Donald and Daniel Provencal. Interment followed in the local church cemetery.

Born Angelina Proulx in St. Leonard, Quebec, 1890, she came to Alberta in 1904. She married Mr. Art Provencal on April 16, 1912, where they farmed in the district until 1952. They retired in the Town of Vimy. Following the death of her husband, Mrs. Provencal moved to Chateau Legal in 1964 and then on to St. Albert Youville Home in 1968. She leaves to mourn four sons and four daughters, Etienne of Edmonton, Wilfred and Clement of Vimy, Armand of St. Albert, Mrs. D. Labby (Della) Vimy, Mrs. P. (Rhea) Pelletier, Edmonton; Mrs. A. (Regina) Pelletier; Mrs. R. (Therese)

Profontaine, Legal; 43 grand children and 48 great grandchildren.

Pallbearers were all grandchildren: Robert Provencal, Norman Labby, Raymond and Fernand Pelletier, Roland and Maurice Provencal. Westlock Funeral Directors were in charge of arrangements.

The Provencal families wish to thank everyone for their kindness, cards and masses. Special thanks to Mgr. Rooney and everyone who helped, to the ladies of the parish who served a delicious lunch.

John Everitt, pioneer farmer, passed away at the age of 86.

Calahoo Windup

By Liz McLeod

The wind-up ball team's supper and dance at the Elk's Hall in Stony Plain was a big evening with a good crowd.

The food was delicious and Tom Taylor's music kept the floor filled with dancers.

The Calahoo Sports Association arranged the event and the Phil Turner Trophy was presented for the first time. The recipient, Larry Mitchell, was well chosen as the most valuable player of the Chiefs. All the players, including Donna Berube who played for one and a half innings when the Chiefs had to field a team during the tournament at Ponoka, were called up to take a bow. Manager Jack Dhoedt was also asked to come forward.

Autographed balls were presented to Pee Wee and Pearl Quintal and Coach Pete Turner.

Louis Dhoedt was the very capable master of ceremonies.

I wouldn't say my secretary was nearsighted, but this morning, she tried to dial the pencil sharpener.

Secretary to Boss: "I've taken all the criticism of my work that I'm going to take. How do you spell 'quit'?"

"Why is it," wondered the first stenographer, "that nobody ever gives the groom a shower?" "Well," suggested the second, "he's all washed up anyway."

Dated at Edmonton, Alberta, this 11th day of October, 1972.

ST. ALBERT MOTOR INN (1972) LTD.
S. SHAPIRO, PRESIDENT

He was born in 1886 at Chatham, Ontario. In April of 1896 he moved with his family to Edmonton, where they stayed two weeks with his grandparents. He took out a homestead in Bon Accord at the age of 18, and this is where he farmed until he retired at 68. He then moved to Edmonton with his wife Clara, where they made their home at 1028 - 103 St., until his death October 4, 1972.

He was predeceased by a son Donald who passed away September 8, 1924.

He leaves to mourn, his living wife Clara, four sons Harry and Frank of Edmonton; Lawrence of Vancouver and Glen of Innisfail. Three daughters, Babs and Minnie of Edmonton and Olive of London, England. He leaves 24 grandchildren, and 42 great grandchildren.

children. He also leaves three sisters, Carrie and Rose of Vancouver, and Gladys of Picardville.

Mr. Everitt was a member of the Reorganized Church of Jesus Christ of Latter Day Saints, since the age of 18.

There will be a void in all our lives and he will be greatly missed by those who knew and loved him.

MORINVILLE MEMOS

By Rose Martel

Our community was saddened with the news of the accidental death of John Francis Hughes, 21, son of Mr. and Mrs. Justin Hughes, formerly of Morinville last Saturday, more miles south of Morinville. Injured in the same accident was Miss Bernadette Yellowdirt, and the driver of the car, Dale Vranas, 18 of Morinville and Edmonton.

The long weekend began in Morinville with several youths celebrating Thanksgiving a little early, and both large front windows in Anne's Par-T-Kitchen Cafe suffered bullet holes in the early morning of Saturday, not to mention the speed artists on Champlain Street Hill 3 a.m.

Congratulations to all the new Mamas and Papas in town and district. Mr. and Mrs. Joe Lutz welcomed a baby boy, on Sept. 17, Wayne Joseph, 8 pounds, 9 ounces, who was welcomed home by one brother and five sisters. Chosen Godparents are Mr. and Mrs. Andrew Lutz, aunt and uncle of the infant. Mr. and Mrs. Denis Pacey welcomed their first daughter, Jocelyne Michelle, on October 3 and weighing 5 pounds 15 ounces, a brother for Jeffrey, Mr. and Mrs. O'Neill Chevalier who welcomed a second son on September 27, 7 pounds, 11 ounces, Maurice Joseph Neil, a brother for Renee and sister Joel. Chosen Godparents, maternal grandparents, Mr. and Mrs. Andrew Boddez, Mr. and Mrs. Wayne Boddez welcomed their first born, a son, Trevor Joseph, on September 27, 8 pounds. Godparents are Mr. Joseph Boddez, uncle of the baby and Mrs. Laurel Vranas, cousin

Miss Lucille Houle, was the guest of honor at a bridal

miscellaneous shower held recently in the Morinville Legion Hall, with 95 ladies present. Hostesses for the gala evening social, were Angeline Houle, Marguerite Barry and Yvonne Ethier. A beautiful assortment of gifts were received by Miss Houle, who thanked her guests with a few well chosen words. Seated at the table of honor were Miss Houle, accompanied by her mother, Mrs. Hector Houle of Morinville, and her future mother-in-law Mrs. Wilfred Barry from Legal, and her hostesses, Angeline Houle, Marguerite Imerson of Edmonton, Marguerite Barry from Legal, and Yvonne Ethier also of Edmonton. Miss Houle will become the bride of Mr. William Barry of Legal on October 21.

Reported in hospital during the past week were: Mr. Clarence Steffes, Mrs. Joe Bokenfohr Sr., Linda Rothart, Mr. Roland Lambert, Dale Vranas, Bernadette Yellowdirt and Tony Schaffers.

The Morinville Fire Brigade were called out twice last Friday, October 6. Around 11 a.m. Morinville's Fire Chief, O'Neill Chevalier had to call the pumps to his garage, Morinville Motors, when an explosion was reported. O'Neill Chevalier has his hair singed in the fire but no injury. Some damage was done to the walls of the garage, but the building and contents were saved.

Early in the afternoon the Morinville firemen responded to a call from the farm of Armand Himschoot, where a smouldering rubbish fire, back of the buildings flared up in some tall grass. Again the quick response, by the local boys, prevented any damage to the farm buildings, located just north of the town limits.

Next Saturday, October 14 will be a busy one for the residents of Morinville. Beginning at 9 a.m. the Morinville Guides and Brownies, will make door-to-door calls, on their annual treasure hunt in preparation for their annual rummage sale. Folks are requested to have all their donations ready, be it bundles of newspapers, magazines, books, old jewelry or used clothing or small household articles.

At the Morinville Centre from 2 - 5 p.m. the Senior Citizens will hold a tea, plus an exhibition of crafts. Everybody is most welcome and that goes for the Senior Citizens of the district also. And all the folks from town, old and young.

Just a reminder that the deadline for all news and advertising is FRIDAY NOON, from the Morinville correspondent for the following edition of the Gazette.

This past week, the harvest operations in all parts of MD of Sturgeon were in full swing, despite the heavy winds which were welcomed, because it dried the swaths for early combining. To date it was reported that a good 50 per cent of all combining is finished in the whole district.

Mrs. Pierce Honored On 100th Birthday

Mrs. Frank Pierce, once a resident of the Gibbons-Bon Accord area, celebrated her 100th birthday Thursday, September 25 at Didsbury, Alberta. Mr. Charles Brumfit with his daughters and son-in-law, Wilf Oliver were among the many guests present for the memorable occasion.

Mrs. Pierce's parents were William and Emily Mason. They came from Illinois in 1895 where Mrs. Pierce was married before coming to Canada. They lived at Bon Accord for many years and then moved to New Norway

where her husband died.

A few years later, Mrs. Pierce moved to Rocky View Lodge at Crossfields, Alberta then to Didsbury where she now resides at the Kneehill Nursing Home. She's enjoying good health and can still play the piano and join in the group singing sessions which have proven to be most enjoyable for everyone at the Nursing Home there.

The 100th birthday celebration was held in the Recreation Hall of the United Church. Present for the occasion were many guests, many of them relatives in-

cluding her later sister's sons and daughters. Others included friends from New Norway and other parts of the country.

Master of ceremonies was Bruce Clayton and everyone enjoyed listening to beautiful solos and vocal groups. Congratulations were expressed in many ways to Mrs. Pierce and blessings for continued good health were tendered by the minister. Mr. Brumfit also said a few words of congratulations and expressed good wishes on behalf of himself and his family, then proposed a toast to the guest

GIBBONS NOTES

By Gladys Morin

On Sunday, October 1 a special meeting was called at the village office to discuss plans of annexation with Mrs. Alwart. Councillors, Morin, Loblick, Oliver and Mayor Holmes were present.

The first regular meeting of the Ladies Auxiliary to the Legion since the summer holidays was held in the Legion Hut on Monday, Oct. 20. Plans were made for the catering for the Blom wedding on Oct. 21. The meeting was concluded with coffee and lunch.

A meeting held in the Community Hall Wednesday Oct. 4 for the Association and reorganization of clubs was very disappointing, only four parents showed up, consequently we will have no clubs this year. Unless someone would volunteer to be a leader. Please phone Karen Williamson 799-3862.

Condolences to Mr. Lawrence Rocco and family on the loss of their dear mother Rose.

In hospital suffering from pneumonia is Mr. S. Demore. A speedy recovery.

Near tragedy occurred when Mr. William Gaudwain was buried in an excavation ditch which is being dug for the new homes now being built west of the Auto Court on Tuesday evening. Quick action on the part of our village secretary, Earl Yeoo and volunteer helpers, dug him free. Mr. Gaudwain is now recuperating in Fort Saskatchewan Hospital with only minor bruises and shock.

Wednesday, October 4 the regular mass Legion meeting was held in the hall. Preparations for Nov. 11 were discussed also 25 year anniversary social. The Zone Commander was on hand for the meeting. The Legion has RCMP Centennial Calendars for sale at \$1.50. Anyone wishing one please contact Earl Yeoo. Alex Roberts wishes to thank everyone for the cards he received while in hospital.

Namoo League Plans To Build Addition

By Norma Crozier

At a community meeting at Namoo last week the Namoo Community Hall was transferred to the Namoo School and Community League and will continue to operate under the Community League. Byran Shultz was elected as interim chairman for the hall, until the annual meeting and anyone wishing to use the hall may contact him.

A motion was passed to build an addition on to the school, 51 feet long and 24 feet wide, to be placed along the east side of the present gymnasium.

The plans include a kitchen, committee room, toilets and storage rooms with two pass-throughs and two door ways. The committee room will be large enough for the use of play school and the kitchen possibly for Home Economics.

An arts and crafts committee has been formed with Mrs. Jean Crozier, interim chairman, Mrs. Mary Clark and Mrs. Arlene Crozier. Offered this fall will be macramé, cake decorating and Christmas decorations.

A canvas is now on to collect donations for this addition to the school and may be sent to Mrs. Doreen Pearce, R.R. #4, Edmonton. A lot of time and effort by many people has gone into the planning of this new community centre which we look forward to using in the near future.

Mayor Unveils Plans At Morinville C of C

By Rose Martel

Mayor Arthur Stapleton of Morinville addressed the C of C meeting of the Morinville Board of Trade with 18 members in attendance. He gave a detailed report on the plans of development now under way in this booming town.

ARTHUR STAPLETON

He first referred to the street program, in the existing part of town and informed the gathering, that a \$48,000 hold back in the last street program, because of deficiency in the street structure, would be sufficient to repair and finish the program, without any income-brance to the local taxpayers.

Mayor Stapleton then proceeded to explain the new development now under way in Morinville. There are two developments being negotiated, comprising a total area of 450 acres, with an average of four houses to be built per acre, after street and parkland are taken out.

All new sections to be developed will have all pre-paid utilities, paved streets, cement sidewalks, curb and gutter installations.

Underway, at the present time is the first phase of the largest developers, Forest-Glen (Dixie) Developments with 90 acres, for a total of 169 homes, on the former Gerry Pelletier land, east of the present town. This year, some 91 new homes are expected to be started in this location. Before more houses are built a sewer lift station has to be built, later increasing the output of the Morinville water plant will then be a necessity.

The other area located in the south west part of town, will be developed by Mario Construction, according to the Mayor. This comprises the Paul Cournoyer's former milk ranch acreage, the seven acres formerly owned by the St. Laurent Bros. and some part of the Robert Leslie McDonald acreage, north of the NAR tract, on the west side of Old No. 2 Highway, and 40 acres between the No. 2 Highway formerly owned by Matt Teller.

The mayor was very emphatic in stating that Mor-

inville Council will uphold the proper development standards in all development projects. He also announced that a shopping centre is included in the new plans, to be located east of the Pelletier farmstead and south of the Morinville Auction Market, on the Pelletier land. There were no details given as to approximate area of the shopping centre, but the mayor cautioned the business people of Morinville that there would be no limit or choice of what competition they would have to face and to prepare to face many new business openings in the town, in the near future.

He was very emphatic that light industrial developments are very much needed within the next five years, to help absorb the new labor force that will be available in Morinville. This will also involve new expanded facilities, including new extended library services, a new million gallon water reservoir, just to mention a few additions that will be required as the population grows.

The mayor also stated that a three year limit on all local development agreements with the Town of Morinville have been made mandatory and will be enforced to curb withholding of property for speculative purposes.

His final remarks were made regarding policing of the town. Mayor Stapleton, reported that the 1972 town census disclosed the fact that the town population was

the same as last year, 1,483 and therefore fell short of the required 1,500 population for Alberta RCMP grants to police the town. He remarked that the policing of the town has improved considerably, since the arrival of Corporal Robert Sheperd, that speeding offences are far less, and much better control of liquor infractions are being ex-

ecuted by members of the local RCMP personnel, located in the MD of Sturgeon office.

A period of questions and answers followed, and Mayor Arthur Stapleton was thanked by President Romeo Boissonnault on behalf of all members present, and the business people of Morinville for his most informative and interesting speech.

MR. & MRS. TEBBUTT

Tebbutt - Krupa Wedding

St. Anthony's Catholic Church was chosen for the lovely September wedding of Patricia Ann Krupa, daughter of Mr. and Mrs. Michael Krupa of Legal, and Larry William Tebbutt of Edmonton, son of Mrs. Muriel Tebbutt, Edmonton, and the late J. J. H. (Harry) Tebbutt.

Officiating at the blessing was Rev. Father D. Macdonald. Mr. Paul Baurett was organist and soloist.

Escorted on the arm of her father, the bride was radiant in her beautiful gown of white polyester sheer over bridal tulle with long puffed sheer sleeves and matching neckline. The simplicity was enhanced by an empire waist bodice of imported French lace and matching choker collar. The lace was repeated around the cathedral length silk illusion veil which flowed from a matching lace pill box hat. She carried a bouquet of yellow threated catalpa orchids encircled by stephanotis and baby's breath.

Miss Sylvia Krupa, sister of the bride, acted as the bride's only attendant. She wore a floor length sleeveless gown in pastel shades of yellow green and ivory with matching yellow choker. A yellow garden hat and matching sandals complemented the gown, as did a garden basket of shasta daisies, yellow roses and baby's breath.

Mrs. Krupa chose a floor

length gown of turquoise pompadour satin trimmed with silver, complemented by a yellow threated orchid corsage.

A close friend of the groom, Mr. Daniel Sharon, of Innisfree, was the groom's only attendant. Brothers of the groom, Mr. Harvey Tebbutt, Grande Prairie, and Mr. James Tebbutt, Grande Cache, acted as ushers.

Mrs. Tebbutt wore a yellow threated orchid to accent her turquoise coat and dress ensemble.

Miss Dianne Onyschuk, cousin of the bride, attended the guest book. Mr. Steve Chodan acted as master of ceremonies and Mr. George Filipchuk proposed the toast to the bride, to which the groom responded in both English and a newly-learned Ukrainian phrase.

Some 280 guests attended the reception held in the Beverly Crest main banquet room. Following the dinner the happy couple served their wedding cake to all the guests. Mr. Jerry Wemmes and his wife, Wendy Wemmes provided the music for the pleasure of the guests.

For a three week honeymoon trip to Niagara Falls the bride donned a floor length double knit dress, matching the groom's yellow shirt, in keeping with the theme of the wedding.

Upon their return Patricia and Larry Tebbutt will reside in Edmonton.

Senior Citizens Form Social Club

By Gladys Morin

On September 28 the Senior Citizens Club of Gibbons had a very successful meeting and social. There were 25 people in attendance.

A motion was made by Marguerite Mabutt and seconded by Mrs. Alfred that the club meet every second and fourth Thursday of each month at 2:30 p.m. at the Legion Hall. A motion was also made by Mrs. Rumsick and seconded by Mr. Lamoureux that each person pay 25¢ for lunch. That way no one will have to donate any thing for lunches.

A motion was made by Mrs. Alfred and seconded by Mrs. Lamoureux that the club gather up some unwanted toys to refinish for donation to crippled children. The club would gladly accept any toys.

An entertainment committee was chosen consisting of Mr. and Mrs. Lamoureux, Mrs. Alfred and Jim Fetherbridge. It was decided by all to go to Morinville on October 14 to a meeting, to get some ideas for entertainment.

The next meeting of the club will be on October 26 at 2:30 p.m. Everyone over 60 years of age is welcome.

The meeting was adjourned at 2:50 p.m. After which there were a few games of cards, enjoyed by most of the people, then coffee and sandwiches were served.

Sturgeon M.D. Offers Hunter Training Course

The program is almost free, and it is offered through the MD of Sturgeon Recreation Department. The only cost to the participant is a small fee which covers travelling expenses for the instructors, who are trained by the Department of Lands and Forests.

Those people who are interested in our Great Out-

doors, interested in hunting, fishing, camping, archery, outdoor photography, hiking, or you are just a plain nature lover, this course will help you become better acquainted with, and help us preserve our wildlife for our future generations.

All persons MALE OR FEMALE, who have attained their 12th birthday may

attend this course. Families are especially encouraged to take the course.

The course can be given anywhere in the municipality as long as there are 10 or more people interested in one district. Upon the successful completion of the 20-hour course, the participant is awarded a comprehensive manual on the outdoors.

Therefore if you would like to learn about identification of game, firearms, archery, survival and hunting techniques, please express your desire to have a course in your locality.

If you would like further information, or wish to register in the course please contact Carl Royanor Laurent Colombe at the Municipal District of Sturgeon Recreation Department or phone 256-3321 or 424-6276.

Calahoo News

By Liz McLeod

The Golden Age Club had their regular outing at the Gazebo on Sept. 27 with a good turnout on hand to visit, play darts, cards, and bingo and have the warmth of friendships renewed, something that's really lacking in this day and age of TV and travel, with no time for your neighbor. A short business meeting was held and it was decided to place a time limit on games - so as not to end too late.

Mrs. (Hector) Helen Quintal had a pleasant surprise when the family and her sisters Katie Krupa and Ann Ross and children gathered for a family dinner on the occasion of her birthday. Only sad note was the absence of their father, Mr. Frank Geron who is steadily improving in Sturgeon General Hospital, after major surgery. All your friends and neighbors are hoping you'll be well soon sir.

Myles and Daphne Kerr spent a very pleasant day visiting Daphne's brother, Gordon and Janet Akerman, Billy and Barbara, recently when all the family gathered to wish Daphne's father and her nephew a very happy birthday.

of Picardville got a pleasant surprise when their daughter Melina and Adelard Paquette and family went home to wish father and grampa a very happy 82nd birthday. Mr. St. Louis who looks and feels much younger than his years certainly appreciated this evening.

Joseph Frettag was pleased to have a good friend, Joe Luss come for a visit, and also his nephew Hans and Marianne Lammner and family. They all went for a drive to Morinville, to visit Mr. and Mrs. Joe Nolte and family. A chance for city dwellers to see the beauty of our countryside.

While stopping over at Roy and Alice Schermund's one day it was nice to visit with Karl and Vera Schermund and boys and Vance Berry. We also saw Bernard Schaffer and Donnie Schermund.

Elsie (Quintal) Majew was home for a week's visit with 14 month old Joel, who walks all around, and enjoyed her grandparents' attention and visa-versa.

Alvin and Theresa D-hood former residents now in Westlock, were recent visitors in the district stopping over at Marcel and Theresa Kerchhof's.

Dina and John Groppe were visitors to Kerr's recently.

Errol, Dale Harvey and Wayne Verbeek were happy boys to have their grandmother, Mrs. Toni Christen stay for a week's visit at Evansburg.

Barry Schermund's friend Francis Halle from Morinville, had a pleasant visit with Barry and Michael last weekend.

Robert and Ann Warren and family together with Robert's mother, Mrs. Alice Warren enjoyed a pleasant day at the Gordon Schermunds.

Ferd and Elsa Lischewski enjoyed their son Erwin and family Anita, Karen and Mark, last weekend when they came down from Jasper for a visit. The children

really enjoy the country and their grandparents.

Stephanie Shenfield went with the Youth Hostel Association to Geraldine Lakes, Miette Hot Springs and then to Fiddle River whose banks are 500 feet straight down. This was an exciting week hiking and the banks of this river proved a real challenge which they mastered.

What better place to honeymoon, Sunny Alberta. Vance and Cecile Berry enjoyed Cecile's niece and her husband, Fred and Jwanita Rasmussen who were on their honeymoon and visited her with their parents at Edmonton Beach.

They also enjoyed Cecile's nephew, David Callihoo and his friend Theresa Vanoss who came from the coast to visit his mother and dad. And how fortunate, since Mr. Vic Callihoo who spent sometime in hospital has since passed away on Sept. 28. The funeral was held in Spruce Grove on October 4.

This community extends its deepest sympathy to all the family and relatives of the deceased.

Calahoo WI acts on pollution and family education

By Liz McLeod

The Sept. 25 meeting of Calahoo WI was held at Mrs. Myles Kerr's home with 13 members and eight gentlemen in attendance.

There were some interesting suggestions on how to raise money for the office fund. One from Nellie Whitson, former district 11 director, was to measure member's waistlines and give a penny an inch, and see how much would be gained in all Alberta.

Home Economist, Pat Prymak suggested the group practice pollution control by saving all brown, green and blue jars and bottles and taking them to the Edmonton Salvage, 9912 - 72 Avenue, Edmonton. The WI plan on starting this and monies will be directed to the Office Fund also.

A very pleasant surprise was in store for members when the secretary read the letter of thanks, appreciation and praise from the Exhibition Board for their part in demonstrating the Story of Wool, along with a cheque for same.

Rural Health Nurse Mrs. Mah, guest speaker, was unable to attend so another chapter on "The Status of Women" was studied, with Stephanie Shenfield at the controls, after which members filled out the questionnaire on Family Life Education.

The consensus was that sex education in Canada is haphazard, biological, rather than family life oriented. The success depends on teachers; boys as well as girls should be taught home ec., carpentry etc., and adults need Family Life Education.

It was recommended that the Federal, Provincial, and Territorial Governments make:

A) better use of voluntary

associations engaged in projects of public interest.

B) voluntary associations working in fields of particular concern to women.

Holl call of make and wear a hat of flowers and leaves produced some real beauties. Alice, Elsa, Toni, Daphne, Betty and Stephanie took the time and looked elegant in their originals while the rest paid the two bits fine.

Happy birthday was sung to five members and secret pals snack gifts, and everyone tried to guess who was her pal. Sorry girls, you'll have to wait till Christmas. Next meeting will be held at Mrs. John Carly's on Oct. 23 at 8:30 p.m., when the Roll Call is "Buy a Poppy" Stephanie, also a Legion member will have a supply on hand.

Anna Carly accepted the pleasant chore of laying the wreath for our WI at the Remembrance Day service in Stony Plain on Nov. 11.

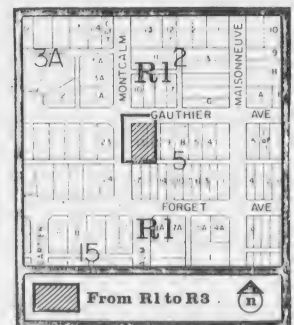

The October meeting should be different since everything is to be done backwards. Visitors are always welcome.

TOWN OF MORINVILLE Notice of Public Hearing

Public notice is hereby given that the Council of the Town of Morinville proposes to pass a by-law to amend By-law 1-72, being the Building, Development and Zoning By-law of the said Town.

The proposed By-law #10/72 will authorize the Council of the said Town of Morinville to amend By-law 1-72 as follows:

That the west half of Lot 12 and all of Lot 13, Block 5, Plan 7406 A.X. be rezoned from Residential - Single Family (R1) to Residential - Multiple Family (R3).

A copy of this By-law #10/72 may be examined in the Town Office at all reasonable business hours.

A public meeting will be held in the Town Office at Morinville on the 31st day of October 1972 at 8 p.m. for the Council to consider any objections, recommendations, and/or complaints pertaining to these proposed amendments.

Dated October 5, 1972.

Shopping For Sheets?

By Donna Mead,
Assistant District Home
Economist.

It is quite often difficult to judge in the store how satisfactory bed linens will be because of their sealed plastic wraps. Recently, the Consumers' General of Canada tested several types of permanent press sheets and reported their findings in the magazine, Canadian Consumer - July/August 1972.

Here are some points to consider:

Thread Count - Sheets are graded as to the number of yarns in a square inch. Muslin sheets usually have a yarn count of between 128 and 134. A count of 140 is considered the most durable.

Percale sheets have a higher thread count - 180-186. The yarns are finer and therefore make the sheet softer and smoother. It is important that there be about the same number of threads going up and down across. In other words, a balanced thread count gives strength.

Blends - Superior - The

tests found polyester/cotton blends to be superior to 100% cotton sheets in appearance and durability, however, blended printed and colored sheets do fade. Fading is more noticeable in the printed type as plain colors fade more evenly. When shopping, look for an assurance of colorfastness on the label.

Colors Hide Wrinkles - If 100% cotton sheets are preferred to blends, perhaps due to their greater comfort in humid areas, remember that colored and printed cotton sheets appear less wrinkled than white ones.

Puckering hems - Of the samples tested, all of the hems tended to pucker after tumble drying. Fancy hems of contrasting colors, or with piping and embroidered tape are worse than plain hems. Pulling the hems gently after machine drying may help to lessen the amount of puckering.

Care of sheets - Laundering of permanent press

linens is best done in warm water (less than 125°F) followed by a tumble-dry warm drying cycle that includes a cooling-down process at the end.

Don't overload the drier or allow linens to sit inside afterward or wrinkling will result.

Buy Correct Size - Obtaining the correct size is especially important for fitted sheets as strain reduces the wear life of the sheet.

Tests and Results - CAC procedures included testing breaking and tearing strength and abrasion resistance. The blended sheets proved to be stronger than the 100 per cent cotton in all cases due, in part, to the high strength and good abrasion resistance of the polyester yarns. As cotton tends to be weakened with a permanent press finish, the 100 per cent cotton fabric must be fairly heavy to ensure good strength. Therefore, weight is not necessarily a good guide for judging sheets. A polyester-cotton blend can be lighter and still have greater strength.

Shopping Points - When shopping for sheets, take notice of workmanship. Weaving or printing flaws or oil spots often appear in sheeting, even that which is offered as first quality. If durability will be affected the flaw should not be accepted in a sheet sold as first quality. For instance a band of missing yarns or a tear at the selvage can reduce strength.

Check for the quality of sewing. Often times hems will twist and pucker as a result of being sewn off grain. The stretching should be parallel to the crosswise grain and not be larger than 10 stitches per inch. Make sure the stitching across the ends of the hems is adequate to prevent lint from collecting inside.

Check for Labels - Look for some form of labelling, either printed on the sheet or package or on a paper insert. If separate from the article, save the information for future use. It should include the following: brand name, fiber content, yarn count, care instructions, size, shrinkage specifications, manufacturers' name and address.

Comparison Shop - Prices of permanent press sheets vary between stores so it is a good idea to compare before buying. Although we think of the January and August "White Sales" as being the time to buy linens, C.A.C.'s study showed "sales" on sheets every month. Therefore it is a wise consumer who knows the regular price.

As the results of the tests were generally similar from brand to brand, the testers' conclusion was to buy by price rather than brand.

TREE APPLICATION DEADLINE DATE

The deadline for tree applications for 1973 spring planting is November 16. If you plan on getting trees for next spring you would be well advised to submit your applications to this office as soon as possible.

It's Your Organization

By Pat Prymak,

District Home Economist

With fall in the air, clubs and organizations start their monthly meetings again. Was your group what you wanted it to be last year? Did you go to all the meetings? Get involved in whatever the projects and discussions were about?

Clubs serve several functions. They provide a social setting where friends can visit, relax and enjoy each other's company for a few hours. They provide services to the community - contributions to charitable causes, catering, perhaps keeping a hall in good repair. They provide a psychological outlet - you get away from the household routine, put on a fresh dress, and perhaps come home with new things to think about and a happier outlook.

If your club seems to be decreasing in numbers, having irregular attendance problems or failing to satisfy your needs, maybe it's time to ask why? What's

wrong? How can it be improved?

Now's the time for program planning. Most clubs have things they do every year - a Christmas party for the neighborhood, a trip to visit the senior citizens in a lodge, a clean-up bee at the local community centre. These projects take only a little meeting time, and other activities of interest need to be developed.

Almost everyone is interested in something different. Find out what these interests are. Maybe one of your members took a trip last summer. Why not involve her in the program by asking her to show her slides. Provide maps and some extra information about the land conditions, industries, people's habits, and you've all gained something.

Perhaps you're curious to know just what happens to

property of someone passes away without a will, what the Debtor's Assistance Board can do for people with financial problems, whether or not you have any legal right to your spouse's property even if he should wish to sell it. These and other questions are answered in booklets put out by the Alberta Women's Bureau, Legislative Building, Edmonton and are available to you free of charge.

Could this provide a useful and educational program? Involving your members is one of the best ways to ensure their attendance and interest. That means making sure everyone takes part in planning and carrying out your monthly programs and your major projects. Involvement stimulates interest - give everyone the opportunity. It's your organization - make it worthwhile.

A tree pruning demonstration will be held at the farm of Mr. Arnold Klappstein on Wednesday, Nov. 1st, at 1:30 p.m.

You are cordially invited to attend this demonstration.

Two-Day Seminar On Livestock Set

By Wallace Klatt,
District Agriculturist

A two-day seminar on livestock diseases will be held at Morrisville.

One day, namely, Nov. 21 will be spent on general beef cattle health including cow-calf and feedlot operations. Swine diseases and herd health programs will be held on Nov. 22.

Many producers have requested more information on diseases, hence this seminar. All producers are welcome.

These seminars, to be held on Nov. 21 and 22, will begin at 10 a.m. sharply and end at 3:30 p.m., at the MD Building in Morrisville.

Bring your lunch if you wish. Let your neighbor know.

Export Ban To Be Lifted

Re-issued from the District
Agriculturist's Office.

Landrae breeding stock will be available to breeders outside Denmark for the first time if that country joins the European Economic Community on January 1, 1973.

This information on the lifting of the ban on the export of Danish Landrae hogs was received by the Alberta department of agriculture's market development section from Bruce Marshall, commercial councillor at the Canadian Embassy in Copenhagen.

There are approximately 1,000 purebred Landrae producers in Denmark, and 5,200 head of breeding stock

were subjected to progeny testing analysis in 1971-72. These tests indicated an average daily gain on 45 to 200-pound animals of 1.6 pounds.

The average back fat measurement was .08 inches and the side fat measurement was .06 inches with an average of 62.5 per cent lean on the sides and least area of 5.2 square inches in the long back muscle. The highest scoring animals recorded 67.5 per cent lean meat.

A sales organization for the export of Landrae breeding stock and semen (Salgs- og Eksportorganisation for Avlsvisn - S.E.A.) has been set up in Copenhagen in conjunction with Bacon Factories Export Association.

Capital Cost Allowance On Driers, Granaries

Re-issued from the District Agriculturist's Office

The department of national revenue has issued regulations covering a special capital cost allowance for farmers who buy grain drying machinery or who buy or build grain storage structures.

This special allowance applies to grain drying machinery and storage structures that have been bought or built since April 1, 1972, and it remains in effect until August 1, 1974. It is in addition to the regular depreciation write-off that is allowed on grain driers and granaries.

Using the diminishing balance regulations, the capital cost allowance rate for class 3 assets (concrete and steel) is five per cent; class 6 (wood), 10 per cent; and class 8 (machinery) is 20 per cent. Under the special write-off, the depreciation for the first year will be as follows:

Type of Asset	Regular Rate	Additional Rate	Total Write-Off
Class 3	5%	22%	27%
Class 6	10%	20%	30%
Class 8	20%	14%	34%**

*of purchase price or 15,000 whichever is the lesser.

**of purchase price or 15,000 whichever is the lesser.

In subsequent years the additional depreciation rate will still be calculated on the original cost, whereas the regular depreciation rate is calculated on the undepreciated capital cost.
